Standard conditions — apply to all locations

The following conditions apply to every pre-approved location in this document, in addition to any site-specific conditions noted against each individual site.

This permit is issued to the named candidate and covers any person they authorise to place or affix a sign on their behalf.

The candidate is responsible for:

- Ensuring that any person they authorise understands and complies with these permit conditions.
- Determining whether the land is Council-controlled or whether permission is required from a private landowner or manager.
- Ensuring that any sign placed, or authorised to be placed, meets all relevant Acts of Parliament and regulations.

Board size

- The size of the Electoral Advertising Board must not exceed the agreed size or 1.4m wide by 1.8m high

Safety

- All election signs are to be installed so as not to create obstructions or sightline obstructions for motorists. This includes obstructions to existing traffic signs.
- The Electoral Advertising Board must be located so as not to obstruct the visibility of motorists and pedestrian movements to the satisfaction of Council or its authorised officer, or statutory signage or any other lawfully placed signage within the footpath.
- The Electoral Advertising Board must be constructed of materials and to a standard that ensures the sign is sturdy and safe, must adequately support the advertising sign and be collapsible if hit by an errant vehicle, must adequately cope with all weather conditions, and must be secured to prevent movement or dislodgement without human assistance.

Placement

- Place the sign in the location and according to the placement details for each site as outlined in this document
- Can only be placed out on the dates specified in your permit (no permit will be granted longer than 3 months)
- Limit of one sign per site (per candidate)
- Placed in accordance with the standard conditions or any site-specific conditions outlined in this document
- Signs are not to be placed in such a manner to overlap or obscure another candidate sign
- Signs must be kept clean, free from graffiti and maintained in a professional manner.
- A sign must be moved/removed or adjusted if directed to do so by an Authorised officer of Council
- The election sign is to be located a minimum of 9 metres (rural listed roads, high speed) or 3 metres (urban listed roads) from the edge of the road.
- The Electoral Advertising Board must be securely attached to mounting posts sunk into the ground and placed in a manner that ensures the area remains available for the uninterrupted passage of pedestrians.

- The Electoral Advertising Board must not be attached or affixed in any way to a tree or power pole, a VicRoads sign or roadside service sign, or any Council fixture or asset, or anything located on land under the control or management of Council.

Lighting

- No external or internal lighting on the Electoral Advertising Board is permitted.

Removal

- All Electoral Advertising Boards are to be removed on or before the permit lapsed date.

Additional permits & requirements

- You must display the Yarra Ranges-issued permit label with your permit number on the campaign sign to which it relates.
- Provision of public liability insurance of at least \$20,000,000 that indemnifies Yarra Ranges Council against any claims for damages which may arise from the placement of the sign by the permit holder, or their agent must be current for the life of the permit and lodged with Council prior to placement of any items authorised by the permit.

Compliance

- Signs placed without a permit or in breach of the permit conditions may be confiscated and impounded by an Authorised Officer of Council and may be subject to penalties and impound fees for release under the *Neighbourhood Amenity Local Law 2020*
