

Owner's Authorisation

Regulation 325 of the Building Regulations 2006 states: 'Only the owner of the building/land or mortgagee of the building/land, or a person authorized in writing' may request a Building Plan and Documentation Search.

If you are not the owner, written authorization from the property owner must be provided with the application. If the owner has recently purchased a property and Council has not been notified, then consent is required from the previous owner.

Written owner's authorization must be provided with the application as per the relevant option below.
