

Warburton Highway landslip repairs

The Department of Transport and Planning is working on Old Warburton Road to make improvements in preparation for landslip repair works on Warburton Highway.

We've been working closely with all emergency services and Yarra Ranges Council for several weeks to understand and mitigate the impact on the local community as much as possible.

Old Warburton Road will be a detour route when Warburton Highway is closed to repair the landslip and some improvements are required to support the increase in traffic.

Works will commence on Monday 3 April 2023 and are expected to be completed by Monday 24 April 2023.

Crews will be working Monday to Friday between 7:00am and 5:00pm.
