

MOTOR AND SHOOTING SPORTS

There are shooting, archery, aero modellers and model car facilities that offer a range of motor and shooting sports.

These sports are offered opportunities in suitable locations in Yarra Ranges via a lease agreement with Council.

Considerations for dealing with issues including noise, visual amenity, planning controls, potential for site consolidation, infrastructure requirements and management are considered in the lease agreement.

Priorities

- Continued review of conditions on leases for motor and shooting sports to insure issues are managed.

“THESE SPORTS ARE OFFERED OPPORTUNITIES IN SUITABLE LOCATIONS IN YARRA RANGES VIA A LEASE AGREEMENT WITH COUNCIL.”
