Burning off in Urban Areas is prohibited

The following burning off regulations apply to residents living in Urban Areas:

What can I do?

- Firepits and Chimineas are permitted for use in Urban Areas for personal comfort anytime, provided they do not cause offensive smoke

Other legal requirements under the local law:

- A person must not, without a permit, light a fire in a public place
- A person must not, without a permit, engage in open air burning or use an incinerator at any time.
- Permits will not be issued for CFA Declared Total Fire Ban Days or during the CFA Declared Fire Danger Period

Permits will only be issued in exceptional circumstances and contain strict conditions

Why have an Open Air Burning local law?

The new local law came into effect in 2018 and was developed to achieve a greater balance between managing fire risk and addressing environmental and health concerns.

Yarra Ranges Council is committed to ensuring a safe and clean environment for all visitors and residents.

As part of that commitment, Council's Open Air Burning Local Law aims to:

- Minimise nuisance and hazards caused by smoke
- Manage fuel loads and protect biosecurity for agricultural purposes
- Minimise bushfire risk
- Protect the amenity of the Yarra Ranges
